New Jersey Business Incubation Network   NEWS

**NJBIN Provides Space in Storm's Aftermath**

Camden, NJ (November 16, 2012)--The New Jersey Business Incubation Network’s (NJBIN) 14 incubators across New Jersey are ready and available to provide low cost temporary office space and assistance to businesses that have suffered a loss or were displaced by Sandy. NJBIN incubators are fully equipped state of the art facilities with monthly rent starting as low as $225 per month for private cubicles. Office space is also available at a slightly higher cost (contact individual incubators for pricing). Monthly pricing varies per incubator; businesses should contact individual incubator directors for specific details.        

- Internet, utilities and fax (printing and copying available for a small charge per page)  
- Unlimited use of conference facilities  
- Individual business counseling and mentoring  
- Access to essential services (i.e. attorneys, accountants, bankers, marketers, IT specialist etc.)  
- Referrals to sources of capital  
- Access to university resources i.e. student interns etc.  
- Educational workshops  
- Collaborative business environment with networking opportunities  
- 24/7 access to facilities (in most cases)  
- Parking and security  

Immediate space is available at the following locations:
